

# ELEVATING CBD!

## HydroPRO 750

### Product Overview:

The proprietary HydroPRO 750 formula is a testament to where the world of Hemp Oil rich in CBD is headed. This amazing Product is packed with healthful properties that can be beneficial in a myriad of ways.

Our custom blended broad spectrum formula has 750 mg of active cannabinoids including boosted CBG. You will receive 24 mg CBD and 1 mg CBG in every 1 mL serving! HydroPro 750 uses advanced Nano-enhanced Absorption Technology to maximize absorption and efficacy which is a fancy way of saying, it greatly improves your body's ability to absorb and to put it to work!

CBG has garnered extreme interest by researchers as it is the precursor or "mother" of all cannabinoids! This unique property imbues CBG with enormous therapeutic promise. (1,2) These unique properties may include:  
\*Neuro-protective, anti-bacterial, supports bone health, improves gut health and much more.

The incredible combination of Premium CBD and boosted CBG along with healthy beneficial terpenes will make HydroPro750 your favorite CBD supplement.
