Brand Influencer Program

Ignite Your Influence with Liv Labs: *A Profitable Journey offering High Commissions, with No Sign-Up Fees or Quotas!*

We are excited to introduce an enticing opportunity, a chance to leverage your influence in a way that's beneficial to you and your followers. We're calling out to all influencers, lifestyle enthusiasts, fitness gurus, and individuals with a knack for engaging audiences. Your calling awaits at Liv Labs!

Liv Labs - What's The Buzz All About? Liv Labs is renowned for their high-quality wellness products. From revitalizing skin-care products to energy-boosting dietary supplements, Liv Labs has consistently pushed the boundaries in the world of wellness. As an influencer, you have the opportunity to promote products that have transformed countless lives for the better.

Opportunities at Liv Labs: As a Liv Labs influencer, you get to be your own boss. How? By earning a significant income without the constraints of a traditional 9-5 job. The best part? There are NO sign-up fees or quotas involved. You start your journey without having to invest financially. With Liv Labs, you can earn while promoting a healthier lifestyle.

High Commissions: At Liv Labs, we understand the effort you put into creating content and engaging with your followers. This is why we believe in giving back in a big way. As an influencer, you'll receive great commissions from each sale that's made through your referral. With our competitive commission rates, your earnings will only be limited by your ambition!

Ongoing Residuals from Re-orders: Our influencer program doesn't stop at offering high commission rates. We also have an incredibly attractive residual program. Whenever your referrals make repeat purchases, you'll earn a commission on those re-orders. That means your influence could be earning you money even while you sleep!

Why Choose Liv Labs? Aside from no sign-up fees, great commissions, and residuals income from reorders, Liv Labs provides an opportunity to align yourself with a brand that genuinely cares about the wellbeing of its customers. Our products are created with love, care, and scientific backing. As an influencer, you can rest assured that you're promoting products that make a difference.

By joining Liv Labs, you become part of a community that values the power of influence to promote a healthier, happier lifestyle. You'll have access to a dedicated team of professionals ready to assist you with any queries and to provide you with all the necessary resources for success.

So, whether you're a seasoned influencer looking to diversify your brand affiliations, or a budding online personality searching for your first big break, Liv Labs is ready to welcome you with open arms.

Take the leap, extend your influence, and let's make a healthier world together with Liv Labs. Join us today, and let's make a difference!

SPREAD THE WORD!

Hemp and Wellness are hot topics as more people are interested in living healthier while others are looking for solutions to their problems.

We are thrilled to have you help spread the positive information of CBD and other innovative health and longevity products!

Since we are dietary supplements, we must adhere to the regulations established by governing agencies. This means we must stay within guidelines as we promote to our audience.

We created the following guide to make it **simple and super-easy** to communicate the benefits of Liv Labs formulas!
